***COLE* Technology Corporation Welcomes a Summer Intern**

Fort Worth, TX – August 1, 2008 – *COLE* Technology Corporation (*COLE*) has opened its doors to summer intern, Mrs. Melinda Rodriguez.

Mrs. Rodriguez is a student at UT Dallas in Richardson, TX working towards a Bachelor of Science (B.S.) in Accounting. In order to gain professional experience and further her education, Mrs. Rodriguez seized the chance to work with *COLE*.

Mrs. Rodriguez is working with *COLE*'s Manager of Finance, Mrs. Patricia Burks, to learn accounting basics, computer programs used on-the-job, better business practices, and the basic ideologies behind complex business accounting practices.

"*COLE* is giving me incomparable experience in the accounting field. I will be returning to school with professional skills and experience. It is a great opportunity," said Mrs. Rodriguez.

Melinda Rodriguez, 26 years old, currently lives in Dallas with her husband Jason and volunteers with the Animal Rescue of Texas. After she finishes her degree, Mrs. Rodriguez plans to attain an accounting position and take the Certified Public Accountant (CPA) exam in order to receive her CPA designation.

Mrs. Rodriguez is *COLE*'s first summer intern. Mrs. Rodriguez will be working at *COLE* headquarters in Fort Worth, TX 2-3 days a week June through August.
