***COLE* Technology Corporation Welcomes Stragistics Technology**

Fort Worth, TX – May 22, 2008 - *COLE* Technology Corporation (*COLE*) welcomed Ms. Hughetta Whitaker Dudley of Stragistics Technology (Stragistics) for a business development / teaming conference. Ms. Dudley, the President and CEO of Stragistics, met with *COLE* Corporate Directors and employees.

The conference consisted of a series of meetings with *COLE* Department heads: Contracts Management, Stephen Soffer; Human Resources, Robin Barnes; Finance Management, Trish Burks; Business Development, Michael Hills; and Marketing and Communications, Elisha Cole. The meetings focused on improving business relations and laid the groundwork for future business development. The President and CEO of *COLE* Technology Corporation, James W. (Wes) Cole, also met with Ms. Dudley to discuss with her the direction the company is taking, the company goals, and how to successfully utilize a GSA Schedule.

Founded in 1997, Stragistics Technology provides technical and management support to Corporate and Government entities. Stragistics is primarily a full lifecycle Information Technology (IT) development and services company with a specialization in Project Management, Systems Integration, and E-Commerce.
